

REMARKS

The Advisory Action for the first time relies on "well known" art of transfer of functionality between two different elements. Such "well known" art is a fact within the personal knowledge of an employee of the Office that must be supported by a reference when called for by the applicants, as now, by the affidavit of such employee for the applicants' contradiction. 37 CFR 1.104(d)(2).

Claim 21 represents the limitations of independent claims 1 and 20 in a further effort for allowance for the reasons set out in the APPEAL BRIEF.

Reconsideration and allowance are, therefore, requested.

Respectfully submitted,

---
